

# Thank You from the Alberta Wish Trail Ride

By Irene White

The 2nd Annual Alberta Wish Trail Ride was held August 21 in Kananaskis, west of Calgary (see full report in September issue page 26).

This was a huge community collaboration with a great result. With the participants, the people who sponsored them, and everyone who supported the event, we raised over \$26,000 for the Children's Wish Foundation. The organizers are very grateful for everyone who played a part. For more info visit [www.albertawishride.ca](http://www.albertawishride.ca)
